Revenue Department, Bangalore.

Sub: Grant of Government land on Ek-Sala Basis to Harijans of Bidar and Gulbarga Districts.

Ref: Your letter No. RD 7 LGD 60 dated 2-2-1960.

Sir,

I write to enclose herewith the original letter from ~~the~~ Shri Ramchandra M.L.A. together with a copy of letter No.42/11/59/3999 dated 10-3-1960 from Deputy Commissioner, Bidar. The Deputy Commissioner Gulbarga has reported that there are no such cases in his District.

2. It would be evident from the report of Deputy Commissioner, Bidar that in only one case of Shri Pundlikappa of Borampalli, Village, Humnabad Taluk, 'C' forms has been issued in the year 1952 without consulting the Forest Department. The latter Department is now insisting upon the assignee to vacate possession of land as it forms part of Forest area. The Deputy Commissioner Bidar has also enclosed a list of persons whose 'C' forms are withheld for the reason that the lands assigned to them belong to Forest Department. It appears that the Forest Department was not consulted prior to assignment of lands to the Harijans as required by Circular No.6/11/98/52/A dated 14-4-1952 issued by the Ex-Hyderabad Government.

3. As the Harijans are in possession of the lands since 1953 it would not be justifiable to evict them from the lands at this stage.

4. It is, therefore, requested that the Chief Conservator of Forest may be moved in the matter, with a request to excise the lands in question from the reserve Forest area.

Yours faithfully,

DIVISIONAL COMMISSIONER,
GULBARGA.

Subject:- To restore the claim of Harijans over the waste lands cultivated by them for many years.

Respected Sir,

On behalf of the Harijans of the Bidar & Gulbarga Districts of Hyderabad-Karnatak, I am to bring to your kind notice the following facts for your sympathetic consideration.

Many Harijans of the above districts who were cultivating Government waste lands, have been put to untold hardships when they were asked to surrender the lands to Government. The position is as follows:

In 1950, Government directed the Deputy Commissioners to prepare the list of landless Harijan families and also a statement showing the area of cultivable waste land for distributing it to deserving Harijan families under the Grow More Food Campaign and improve the economic condition of the Harijan people. Accordingly, the available cultivable waste lands were assigned to some poor Harijan families, under the said Campaign, so as to enable them to maintain their livelihood by cultivating the lands. Being grateful to Government for having come to their help in improving their lot and economic condition, they worked very hard and brought the lands nicely suitable for cultivation. They were also given to understand that if they cultivate the lands

..... pg 2.

MEMBER LEGISLATIVE ASSEMBLY * MYSORE *

lands given to them successively for three years and make the best use of the lands, that land would be assigned to them permanently. Thus, the lands were made use by the Harijan families and were ~~mk~~ shown in the 'C' Form in the name of Harijans. But now, to their utter disappointment and misfortune, these people have been asked to surrender the lands to Government for implementing the Scheme of Aforestation by the officials of the Forest Department. Without looking into the just claim of Harijans who were given lands permanently under the Grow More Food Campaign and also to the problems Harijans who are just surviving on the produce of these lands, the officials of the Forest Department have been forcing the Harijans to surrender the lands.

I therefore, request you, Sir, kindly to look into this matter personally and direct the concerned authorities to consider the problems of Harijans first with all sympathy and pass orders granting the above lands to them permanently, or on Ek Sali basis. This is a very important & urgent need of Harijans of these districts and I think you will be so good as to come to their help in such a critical time.

A line in reply will be much appreciated.

Yours sincerely,

--:--

Sir,

I have to submit that all the Govt. waste lands of ex-Jagir areas were given by the Govt. orders under the control of the Forest Dept. The Board of Revenue of Former Hyderabad State has directed through Circular No. 6/11/98/52/A dated 14-4-52 (copy enclosed) to consult the Chief Conservator of Forests in respect of these areas.

In 1953 the parampoke lands were assigned for cultivation to the scheduled castes and scheduled tribes under utilisation of wast lands scheme but an area of 230 acres out of the area assigned is reported to the forest area due to which the 'C' forms in respect of these lands were not issued. A statement showing the details is enclosed. From the record it is not clear whether the Forest Dept. was referred to before this assignment took place.

In village Borampalli of taluk Hummabad an area of 8 acres was assigned to Shri Pundlikappa, a member of Backward Classes who is in possession of it since 1952. Later in 1955-56 the forest authorities issued him a notice asking him to vacate the land stating it to be forest area. In this respect after spot enquiry the D.F.O. was requested to take action to delete this much - portion from the forest reserve as the location of the land is in the corner of the block. The result is still awaited.

Now assignment is being made only after consulting the forest dept., as the entire area of Hummabad taluq and a large portion of other taluqa consist of ex-paigah and ex-jagir villages

Sub: RESERVATION OF EX-JAGIR FOREST AREAS.

Sir,

The Forest areas in the Jagir were given by Government orders under the central of the Forest Department after the Jagirs were integrated with Diwani. The Forest Department is taking action to protect such of the areas as are suitable for reservation. They are not at present in a position to say how much of the ex-Jagir areas are fit for reservation.and will be retained parmanently under the Forest Department. In the mean while reports are received that the Revenue authorities have either auctioned the forest or alleted such forest parmpoke lands on patta with prier consultation of the Chief Conservator of Forests, which was not correct. In order to avoide futther complications and damage to forest areas, it is hereby ordered that all these parampoke lands in ex-Jagirs, which are either forest or Kancha lands, will continue to be under the Forest Department till the reservation or protection proceedings are completed. When the Forest Department decided which areas are to be permanently retained with them, the other areas will revert to the Revenue Department for disposal. In the mean while if there are any individual cases where Revenue Officers propose to take any action, they should do so after consulting the Chief Conservator of Forests.

I enclose a copy of letter No.GFL 171/60-61 dated 2-6-60 from the Conservator of Forests, Bellary Circle, along with its enclosure for kind perusal.

The lands disposed of for cultivation are reported to be within Shamtabad Forest block. The disforestation of these small bits of lands for cultivation renders the protection of the surrounding Forest land difficult. Under the circumstances and also in view of the low percentage of Forest area in this District, I am not in favour of releasing the areas in question. However, large areas of gairans are reported to be available outside the Reserve Forest limits. The applicants may be allotted lands out of these areas.

The enclosures received with your letter under reference are returned herewith.

Sir,

Sub: Grant of waste land on Eksala basis to Harijans of Bidar and Gulbarga Districts
Representation of Sri Ramchandrappa M.L.A.
Ref: Your memo No.BS-57-279/60-61 dated 10-5-60.
2) Gulbarga D.F.O's No.SZ-17/59-60 dt:25-5-6
3) Connected Records.

Enclosing herewith the above cited letter of the Divisional Forest Officer, Gulbarga in duplicate, I write to state that the Divisional Forest Officer has pointed out that large areas were set apart as gomals (gairans) at the time of constitution of the R.F., that the areas included in the R.F., were meant for afforestation works and that small or petty demands of the applicants for cultivable lands can be met out of the gairans without materially affecting their growing position. The Divisional Forest Officer has further stated that release of small bits of land for cultivation renders the protection of the surrounding Forest land difficult; the success of afforestation works will be impaired and full benefit of money invested for the works is not likely to be derived in case the request of the applicants is conceded. Obviously, the Divisional Forest Officer is not in favour of release of Forest lands especially in view of such low percentage of Forest land in Bidar District as 4.26%. The report of the Divisional Forest officer is self complete and have nothing to add except that I concur with the Divisional Forest Officer's views.

The Divisional Forest Officer, Gulbarga as well as the Divisional Commissioner, Gulbarga have stated that certain grants of Forest lands were made by the Revenue Department without consulting Forest Department and ignoring the Circular orders in that behalf. The Divisional ~~Forest~~ Commissioner of Gulbarga Division may kindly be moved to take steps to cause eviction of the individuals cultivating the Forest lands unauthorisedly.

The original Enclosures (Six sheets) forwarded to the Divisional Forest Officer Gulbarga with your memo under reference are resubmitted herewith as instructed for favour of disposal.

Sub: Grant of waste land on Eksala basis to Harijans of Bidar and Gulbarga Districts. - Represenatation of Sri Ramchander M.L.A.

Ref: No.B3-57-279/60-61 dated 8-5-1960 forwarded and copied to you. to this

The list given on page No.7 of the enclosure sent with the letter under reference is incomplete in that Sy.Nos in which the Eksala cultivations were allowed by the revenue authorities are not shown against the names of cultivators in many cases. It is evident from available records in this office that permission to Eksala cultivation to Sri Pundlikappa in Sy.No.41 of Borampalli referred to in report of Dy.Commissioner Bidar vide page 6 of the enclosure was given in 1952 and the remaining cultivators of the list were permitted from 1953 onwards. Circular No.6/11/95/52/A dated 14-4-1952 (vide page 8) was ignored by the then officials in permitting Eksala cultivation.

Preliminary enquiries made before declaration of the Sy.Nos under Sec.29 of the Hyderabad Forest Act mostly in the year 1954 and 55 have shown the names of a few cultivators of the list on page 7 as illegal cultivators as seen from this office record. Obviously the forest dept, was not consulted while permitting such Eksala cultivations. Herewith I am submitting a list of Sy.Nos and their extent included in the forest block of Shamtabad declared under Sec.29 of Hyderabad Forest Act of 1355F.

From the above list it is evident that large areas are left over as gairans and only small portions have been included for the purposes of afforestation. In fact this Shamtabad block was one of the first few taken up by the Afforestation division of Ex.Hyderabad State for the purposes of afforestation and the early efforts which are being now supplemented to obtain a forest block fully covered with tree vegetation, cannot be assured of success unless such petty demands for dultivation are discouraged. The large amount already expended over afforestation of this block can only be justified if success is ensured by strict protection which can only be afforded if the block is not riddled with cultivations of small extent.

PTO

The forest percentage of Bidar district is only 4.

From the list given above it is quite clear that large areas under the title of Gairan are available in all the villages enlisted and the small demands for cultivation can be met out of these area without much geopardising the grazing interest of the cattle.

Hence it is requested that the claims to regularise these cultivations may be recommended to be rejected.

The enclosures sent with the reference are enclosed with the report sent in triplicate.

Yours faithfully,

Divisional Forest Officer

ORDER:—

The Divisional Commr. Gulbarga reports that in 1953 the paramboke lands were assigned for cultivation to the Scheduled

Castes and Scheduled Tribes under utilisation of waste lands scheme but an area of 230-0-0 acres out of the area assigned is was reported to be forest area due to which the 'C' forms in respect of these lands were not issued and that as the Harijans are in possession of the lands since 1953, it would not be justifiable to evict them from the lands at this distance of time etc.,

However on being consulted, the CCF in Mysore, states that the lands disposed of for cultivation

Ref:- Your letter No. RD 7 LGD 60 dt. 2-2-1960.

Sir,

I write to enclose herewith the original letter from Shri Ramchandra M.L.A. together with a copy of the letter No. 42/11/59/18999 dt. 10-3-1960 from Dy. Commissioner Bidar The Dy. Commissioner Gulbarga has reported that there are no such cases in his District.

It would be evident from the report of Dy. Commissioner Bidar that in only one case of Shri Pundlikappa of Borampalli village, Humnabad Tq. " C " form has been issued in the year 1952 without consulting the Forest Dept. The latter Dept. is insisting upon the assignees to vacate possession of land as it forms part of Forest area. The Dy. Commissioner Bidar has also enclosed a list of persons whose 'C' forms are witheld for the reason that the lands assigned to them belong to Forest Dept. It appears that the Forest Dept. was not consulted prior to assignement of lands to the Harijans as required by Cir. No. 6/11/98/52/A dt. 14-4-1952 issued by the Ex-Hyderabad Government.

As the Harijans are in possession of the lands since 1953 it would not be justifiable to evict them from the lands at this stage.

It is, therefore, requested that the Chief Conservator of Forest may be moved in the matter, with a request to excise the lands in question from the reserved Forest area.

Yours faithfully,
